

REENEN STEENKAMP

SOUND DESIGNER / SCRIPT WRITER /
ALL ROUND CREATIVE

PERSONAL PROFILE

I'm a well rounded young man, easy to work with and a keen, enthusiastic worker. I'm very trustworthy and dependable, and will be a great asset to any company willing to take me on. I have a teachable spirit and am willing to be applied in any field of multimedia and design.

I'm a loyal and devoted person with a strong sense of ethical and moral values and have great respect for others. I am patient, have the ability to work well in a team setup, but also work independently as and when required.

I have a keen interest in the latest technological developments and gadgets, particularly in the field of audio science and sound creation. It is for this reason that I aimed my field of study in this direction. I have a general overview in filmmaking and a strong intuitive sense of creating with emotion and depth.

I love working with my hands and love creating new things. Some of my favourite pass time hobbies are digital illustration and fine art drawing. I am a skilled airsoft participant and a well trained archer.
